*We founded Iberia Wines & Spirits to bring a diverse selection of the best wines from Portugal to the United States. Our travels took us from the Alvarinho region in the north to the southernmost region of the Algarve—and our products represent the best of what we discovered along the way.*

## Featured Wines:

### Clemem Reserva

DOC : Vinho Verde

**90 Point Rating!** Bright yellow golden color Crushed green apple and honey cream aromas follow through on a silky entry to a fruity-yet-dry medium body with great ripeness and depth. Finishes with a long, nectarine and lemon accented fade. Very tasty.

### Herdade do Pombal

VR : Alentejo

A blend of Aragones, Trincadeira, and Alicante Bouschet grapes infuse this wine with a mature elegance. This shows very good tannic structure with nuances of sweet and mature fruit. It should be served at 60-64 °F. Pairs well with red meat and cheese.

### Grou 2

DOC : Alentejo

Grou 2 is produced by Sociedade Agricola Vale de Joana; well known for blending tradition with technology to create superb wines. The blend of Aragonez (35%), Trincadeira (35%), Syrah (20%) and alicante Bouschet (10%) creates a full bodied wine with hints of red fruits and plum. Pairs best with game, red meats and cheese.
